

Stuart Shooting Center is being invaded by Zombies.

These undead people eaters are scheduled to make their way to

Stuart Shooting Center on

October 27th, from 6:30 until 9 pm!

We must eradicate this population, and we need your assistance before we become one of them! Bring your loved ones to help fight off the plague in this unique NIGHT event!

Zombie eradication starts at 6:30 and ends at 9pm

Recommended Equipment List:

- Your favorite Anti-Zombie guns. Includes: Pistols and Revolvers, and AR's that shoot .223
- (best results will be with 9mm to .45 cal) Excludes: Shotguns, Grenades, rocket-launchers, flame throwers or tracer ammo..if you are not sure if it can be shot, please ask one of the staff
- 3 spare magazines or 6 speed loaders for revolvers
- Magazine Pouches (for 2 mags minimum)
- Durable and protective clothing
- Eye and Ear protection
- Flash lights

Ammunition is available for purchase on site (book your ammo and be sure it's available).
